

Dear Parents or Guardians,

Congratulations! Your child has been nominated on behalf of their dedication to academics and outstanding character in the classroom to participate in our educational trip to Italy in June 2018.

As our world becomes increasingly interconnected, it is critical for our students to become more culturally aware, explore new ideas and grow their potential. Students who partake in this opportunity will grow their social skills, connect to their studies outside of the classroom and set themselves apart when applying to college and their future careers. Students can also earn credit on tour by creating their own online research projects.

There is limited space on this tour, and reservations will be filled on a first come first serve basis. I do hope you will be able to join us at the upcoming meeting to learn more.

I will be hosting a mandatory meeting to discuss our destination, itinerary, answer questions and open enrollment on **Monday May 22<sup>nd</sup> at 6:00 pm at Seven Springs Middle School in the Media Center.**

Please send RSVP via email or return the slip included by May 19<sup>th</sup> to ensure I can accommodate everyone in our meeting space.

Warm regards,

Tracie Hand
