

# SSMS Host Families Needed For Students From China

If you haven't heard the news, you can become a part of the Chinese Homestay program between SSMS and Beijing New Talent Academy. Seven Springs Middle School is planning to welcome student visitors from Beijing during the third quarter of this school year. Tentative dates for the program are from January 25th through February 24th. We are in need of approximately 40 host families to welcome these students into their homes for those dates. Host families will receive \$1000 for each Chinese student they host to help offset the costs of room and board for our visitors. If your family would like to participate in this program, there will be an informational meeting on October 22<sup>nd</sup> in the Media Center where you can ask questions and obtain an application. The application needs to be submitted to Mr. Hand before Thanksgiving Break. Need more information? The school website will also have a PowerPoint and a few pictures you may want to check out. If you have any additional questions, please email Mrs. Seibert or Mr. Hand.
