[http://ssms.pasco.k12.fl.us/SSMS/Athletics/Seven Springs Middle School Athletics Home Page.html](http://ssms.pasco.k12.fl.us/SSMS/Athletics/SevenSpringsMiddleSchoolAthleticsHomePage.html)

The Seven Springs Middle School athletic department sponsors a variety of interscholastic athletic teams that compete with teams from other west Pasco County middle schools.

Each coaching staff will conduct tryouts to select the members of their squad. It is vital that students who wish to tryout for a team be prepared to tryout. Athletic paperwork must be submitted to Matt Van Daele 24 hours prior to tryouts to guarantee your child will be able to try participate. All paperwork can be found on the school and district website. The best way to submit paper work is to email mvandael@pasco.k12.fl.us, this will guarantee paperwork will not be lost or misplaced.

Tryouts are announced on the morning news; therefore, it is vital that students be attentive to that program each morning. We also regularly utilize the school newsletter, and tryout dates will be published on the Athletics Page on the SSMS web site. Some coaches will place signs or posters around the campus to promote their tryouts. **Ultimately, though, it is the students' and parents' responsibilities to be aware and prepared for team tryouts.**

Below is a list of **tentative** tryout dates for our teams. *Our coaches may choose to conduct tryouts any time **after** the dates listed.*
