

We need you!

This year we have quite a few changes, but that means that we need you ***MORE THAN EVER!*** Whether you have no time in your schedule, or you would like to be involved in select or multiple school activities.....EITHER WAY, your \$10 donation to be part of the PTO is crucial in:

- Supplementing funds to supply the school with needed supplies and technology, helping our kids learn and grow
- Elevating the experience of the students as they attend middle school, by funding the creation of special programs and functions
- Helping to give back to the wonderful teachers and staff, who give so much to our kids!

For the remainder of October, we will have a contest to see which class has the most parents join PTO! The winning teacher will get a \$50 gift card of their choice, and the class will receive a cupcake party! ***Please return the form on the reverse side with your donation today, and support the PTO!***

Seven Springs Middle School PTO 2020-2021 Membership Application

\$10 Annual Family Membership Fee

Welcome! Our Parent Teacher Organization is committed to helping Seven Springs Middle School with fundraising projects throughout the school year. Our emphasis is on providing funds to support the enhancement of technology at the school.
