

Pasco County Schools' Visitor Self-Screener (Last updated August 03, 2021)

The Pasco County School District expects all visitors to complete this pre-entry self-screening tool daily before physically visiting any school campus or district office location.

1. Do you have new or worsening onset of any of the following symptoms?

- Fever (greater than 100.4) or chills
- Fatigue
- Headache
- Sore throat
- New loss of taste or smell
- New uncontrolled cough (, a change from your regular cough)
- Diarrhea
- Muscle or body aches
- Shortness of breath or difficulty breathing
- Congestion or runny nose
- Nausea or vomiting

YES ___ NO ___

If **NO**, please continue to question number 2.

If **YES**, you cannot come on campus and are required to:

- Not return for at least ten days since symptoms first appeared,
 - AND be fever free for at least 24 hours (without taking medication to reduce fever)
 - AND have improvement in other symptoms (cough, shortness of breath).

2. Have you recently tested positive for COVID-19 or are waiting for test results due to your own illness?

YES ___ NO ___

If **NO**, you may visit school as planned.

If **YES**, visitors waiting for test results must remain home until results are available.

- If test result is **negative**, you can visit the school campus.
- If test result is **positive**, you cannot come on campus and are required to:
- Not return for at least ten days since symptoms first appeared,
 - AND be fever free for at least 24 hours (without taking medication to reduce fever)
 - AND have improvement in other symptoms (cough, shortness of breath).

3. Regardless of vaccination status, within the past two weeks, have you had prolonged (15+ minutes) AND close contact (fewer than 3 feet) with someone who has tested positive for COVID-19 and is still under a required isolation by the Pasco County Department of Health?

YES ___ NO ___

If yes, you cannot come on campus and are required to quarantine as advised as by the Pasco County Department of Health. Regardless of a negative COVID-19 test result, visitors in this category must remain in quarantine for the period of time required by the Department of Health.

*****As a reminder, if you answered "YES", you need to remain at home and cannot report to school or district complex in-person. Please contact your immediate supervisor and follow the steps outlined above.*****

The novel coronavirus, known as COVID-19, is an extremely contagious virus, which can cause serious medical conditions, including death. COVID-19 has been declared a worldwide pandemic by the World Health Organization, and as a result, federal, state, and local governments along with federal and state health agencies recommend social distancing and have, in some circumstances, limited the congregation of people. The District School Board of Pasco County (DSBPC or District) has initiated reasonable, precautionary measures in an effort to reduce the spread of COVID-19. However, given the extremely contagious nature of COVID-19, the DSBPC cannot guarantee that you will not contract the virus while attending or engaging in school-related and/or extracurricular activities.
